

At Hudock Capital, there is nothing more important to us than YOU. We are grateful for the opportunity to help you live the life you've imagined and we take great pleasure in celebrating your successes. When our clients succeed, we succeed.

It's my pleasure today to share with you one of our own team member's successes. We just learned that *Forbes* released its America's Top Women Wealth Advisors Best-In-State List for 2022 and named Barbara Hudock as one of the top ten Women Wealth Advisors in Pennsylvania! This is the fourth year that Barbara has been included in this list and it places Barbara among the highest ranked women wealth advisors in the nation.

As we congratulate Barbara on this achievement, all of us at Hudock Capital know that we cannot do what we do without our clients or each other. In that sense, Barbara shares her recognition with each member of the Hudock Capital family, including you.

Celebrating our collective success with you, we are reminded how fortunate we are. We are humbled by this recognition; we are grateful for your trust and friendship; and, we appreciate your business. Thank you for being a part of our family and for making this achievement possible.

Sincerely yours,

A handwritten signature in black ink that reads 'Michael'.
